Solutions for today...
Vision for tomorrow

Training & Education
Research & Policy Initiatives
MISSION & OBJECTIVES
NAFA ensures the ability of the alfalfa and forage industry to compete effectively and profitably, domestically and abroad. NAFA provides a forum for consensus building among stakeholders and is a political advocate on behalf of the industry.

Training & Education Providing Solutions in Training and Educational Materials
The Alfalfa Intensive Training Seminars (AITS) . . . Three day seminar educating participants on topics such as Variety Testing, Seed Production, Fertility, Growth & Development, Irrigation, Pest Management, Mowing & Field Drying, Silage Preservation, Hay Preservation, Alfalfa in Animal Diets, and Custom Harvesting and Economics. Classes are small, providing opportunities for individual instruction and questions.

Publications . . . Publications are available at www.alfalfa-forage.org. Titles include: Alfalfa The High Quality Hay for Horses, Alfalfa Analyst, Alfalfa for Profit, How an Alfalfa Plant Develops, Growing Alfalfa in the South, and Understanding Alfalfa. These publications are ideal for individuals interested in furthering their alfalfa knowledge as well as educational tools for meetings and classrooms.

“Winter Survival, Fall Dormancy, & Pest Resistance Ratings for Alfalfa Varieties “ Leaflet . . . This variety leaflet, published annually, is widely considered the most reliable source of information on the characteristics of over 250 alfalfa varieties. Only varieties approved by the Association of Official Seed Certifying Agencies (AOSCA) and the National Alfalfa Variety Review Board (NAFVRB) are included in this publication. To order or download NAFA publications, visit www.alfalfa-forage.org.
