DATE: September 8, 2020

Kearney Alfalfa and Forage Virtual Field Day

September 23, 2020

8:30 am – 12:00 pm

SIGN UP TODAY!

UC Cooperative Extension will provide updates on applied research in alfalfa variety, irrigation, and pest management; sorghum and its use in dairy feeding; sugar beets and safflower as winter forages; and personal protective equipment in a time of COVID-19 via Zoom.

Who should attend: California alfalfa and forage growers, consultants and allied industry.

Where: Virtual Webinar via Zoom (link and instructions to join will be emailed to registrants)

Registration can be found at <https://ucanr.edu/survey/survey.cfm?surveynumber=31830> A registration fee of \$9.23 can be paid upon completion of registration survey.

Full agenda: <https://ucanr.edu/sites/PSU/files/333045.pdf>

Featured speakers include Dan Putnam, UC Davis; Jeff Dahlberg, UC KREC; Bob Hutmacher, UC WSREC; Ian Grettenberger, UC Davis; Khaled Bali, UC KREC; Michael Cahn, UCCE Monterey; Jennifer Heguy, UCCE Stanislaus; Steve Kaffka, UC Davis; and Lisa Blecker, UC IPM.

For more information, please contact: Nick Clark, neclark@ucanr.edu, 559-852-2788.

This event is open to the public. Our programs are open to all potential participants. If you require special accommodations, please contact Julia Kalika, UC ANR Program Support Unit, (530) 750-1361. The registration fee covers the technological costs of providing a virtual meeting. If the fee prevents your participation, please contact anrprogramsupport@ucanr.edu for a fee waiver.
