Training & Education  Providing Solutions in Training and Educational Materials

The Alfalfa Intensive Training Seminars (AITS)... Two day seminar educating participants on topics such as Variety Testing, Seed Production, Fertility, Growth & Development, Irrigation, Pest Management, Mowing & Field Drying, Silage Preservation, Hay Preservation, Alfalfa in Animal Diets, and Custom Harvesting and Economics. Classes are small, providing opportunities for individual instruction and questions.

Publications... Publications are available at www.alfalfa.org. Titles include: Alfalfa The High Quality Hay for Horses, Alfalfa Analyst, Alfalfa for Profit, Alfalfa Germination & Growth, Growing Alfalfa in the South, and Understanding Forage Quality. Only varieties approved by the Association of Official Seed Certifying Agencies (AOSCA) and the National Alfalfa Variety Review Board (NAVRB) are included in this publication.
